Walk In Interview-Banana Project Based Research Position

National Agri-Food Biotechnology Institute (NABI), Mohali, is an autonomous R&D Institute under Department of Biotechnology, Government of India. NABI has received BIRAC sponsored joint research project with Queensland University of Technology (QUT), Australia and applications are invited for the following position under externally funded project “*Transfer and Evaluation of Indian Banana with Pro-Vitamin A (PVA) Constructs*”:-

Name of the position:	Lab/Field Project Assistant
Number of Positions:	One
Area:	Plant Tissue Culture, Genetic Transformation and Research Farm related activities
Essential Qualification:	B.Sc. / B. Tech/ M.Sc. in Life Science/ Biotechnology/ Biochemistry/ Botany/ Agriculture/ Agronomy or any other related biological areas.
Desirable qualification:	a) Prior knowledge/experience in plant tissue culture, genetic transformation and maintenance of transgenic plant materials under <i>in-vitro</i> and containment conditions. b) Prior knowledge/experience for performing various farm related operations and field experiments. c) Basic knowledge of computer such as MS Office, Excel, Powerpoint, Internet etc.
Job Responsibility:	a) To assist scientists and research scholars in experiments b) Maintenance of records of experiments, instruments and consumables c) Any other scientific responsibilities assign by in-charge scientist
Age limit:	28 years* as on the last date of receipt of application.
Remuneration:	Consolidated @ Rs.10,000/- per month as per NABI rules.

*** Relaxable upto 5 years for SC/ST/OBC/PH/Women Candidates.**

The interested candidates may appear for a Walk-In-Interview on 24th May, 2016 by the prescribed application form available on the website www.nabi.res.in. The duly filled application form must be submitted at the time of registration from 0900 hrs to 1000 hrs on 24th May, 2016. The candidates must ascertain their eligibility before applying, as ineligible candidates would not be interviewed.

The project is a part of the Multi-Institutional Core Project entitled “Development and Transfer of Technology from Queensland University of Technology (QUT), Australia to India for Bio-fortification and Disease Resistance in Banana”. Project duration is of four years (up to November 2016). However, the appointment against the above position shall be up to November 2016 or till the termination of the project, but in no case shall exceed the duration of the project.

NABI may or may not select candidate against above mentioned research position, depending upon the suitability of the candidate to carry out high quality research. One month notice will be given by either

party for the termination of engagement. The engagement is for the specific project as mentioned above and shall give no right whatsoever for automatic consideration against any other position/opportunity at NABI.

For more information on the above position please contact Dr. Siddharth Tiwari, Scientist-D, NABI; Email: siddharth@nabi.res.in; Ph: 0172-4990124/4990145 and/or visit our website www.nabi.res.in.
