GENERAL TERMS AND CONDITIONS
(NIT No.NIT/WORKS_HORTICULTURE/3/2010)

CONTRACTOR SUPERVISION AND MAN POWER :

The contractor must engage experienced supervisor for the supervision of **Horticulture/ Plantation work for the Development of Green Belt in NABI, Sector-81, Mohali**. All field staff must also have adequate experience of horticulture work.

GENERAL MAINTENANCE:

The maintenance shall include watering, fertilizing plants and protection from pests and diseases. Sweeping, weeding, moving and disposal of garden refuse, pruning, trimming and clipping of plants for proper growth are included in the work of maintenance for ensuring good standard of maintenance. The under-mentioned is also included in maintenance but is not limited to the following:-

- 1. Cultivation:-** Regular weeding and hoeing of tree pits and trimming and pruning of trees to be done every fortnight.
- 2. Material at Site:-** The contractor must ensure that all garden machinery tools/hose pipes etc. are removed from the site or kept in hidden places to avoid visitors view during off hours.
- 3. Precautionary Measures:-** The contractor must take all necessary precautions for carrying out the above operations. In the event of any injury/accident to any person, the responsibility and liability will be entirely of the contractor.
- 4. Repair and Replacement:-** The contractor shall carry out all minor repair to Garden features damaged due to digging in the area or other such reasons.
- 5.** Adequate watering of all plants with hosepipe or hand/tractor water trolley should be done regularly.
- 6.** Manure and fertilizers shall be applied under the direction of the Officer-in-Charge as basal and maintenance dozes.
- 7.** Periodic checks shall be carried out for the pests and disease. Proper spraying of pesticide and fungicide will be done for eradication by the contractor using his own material and equipment.
- 8. Sweeping:-** The following daily operations are to be carried out:-
 - (a) Removal of the rubbish and disposal of garden refuse to the dumping ground directed by the Office-in-Charge. No grass/refuse shall be left overnight in the plantation area.

The General Features :

1. The contractor must take all necessary precautions for carrying out the above operations. In the event of any injury / accident to any persons working or third party, the responsibility and liability will be entirely of the contractor.
2. If due to any reasons or negligence or improper care whatsoever any plant gets damaged during the contract period, the contractor shall replace the same with new plants (same size and same variety) at his own cost and nothing extra shall be paid on this account. If the contractor fails to do so, necessary recovery shall be made from running final bills and the decisions of the officer-in-charge about the condition of the plants and rate of recovery shall be final and binding on the contractor.
3. The contractor shall hand over the plants, trees and shrubs, etc. in healthy condition on the date of completion of the job and takeover for maintenance purposes.
4. The site will have to be left neat and clean after completion of the work to the satisfaction of the Executive Director, NABI.
5.
 - a) The time for carrying out the work as entered in the (under shall be strictly) observed by the contractor and shall be deemed to be the essence of the contract on the part of the contractor. The work shall throughout the stipulated period of the contract be proceeded with all due diligence and the contractor shall pay as compensation an amount equal to one per cent or such smaller amount as the Employer (whose decision in writing shall be final) may decide on the amount of the whole work as shown in the agreement, for every week the work remains uncommenced or unfinished after the proper dates.
 - b) And further to ensure good progress during the execution of the work, the contractor shall be bound in all cases in which the time allowed for any work exceeds one month (save for special jobs) to complete one-eighth of the whole of the work before one fourth of the whole time allowed under the contract elapsed three-eighths of the work, before one-half of such time has elapsed, and three-fourth of the work before three-fourths of such time has elapsed. However, for special jobs if a time schedule has been submitted by the contractor and the same has been accepted by the Employer, the contractor shall comply with the said time schedule in the event of the contractor failing to comply with this conditions he shall be liable to pay as compensation an amount equal to one percent or such smaller amount as the Employer (whose decision in writing shall be final) may decide on the said cost of the work for every week that the due quantity of work remains Incomplete. Provided that the entire compensation to be paid under the provisions of this clause shall not exceed ten per cent on the cost of the work as shown in the agreement.
6. The Executive Director, NABI, reserves the right to reject of accept any or all the tenders without assigning any reason thereof.

SPECIAL TERMS AND CONDITIONS
(No.NIT/WORKS_HORTICULTURE/3/2010)

1. The Contractor will supply the plants saplings & install these in the ground and maintain the same along the periphery of the campus approx. 1600 meters. Prices will be firm without any escalation during the period of contract
2. The contractor must engage enough nos. of man-power to maintain the green belt and plantation area in good condition on day to day basis, which include working supervisor. Attendance register shall be maintained at site by the Contractor and shall be checked by the authorized personnel from NAB.
3. Normal working hours shall be 8 hours a day i.e., 9 A.M. to 5 P.M.
4. The contractor has to arrange his own garden implements used for horticulture operations in the green belt and plantation area. The running and repair cost of tools shall be borne by the contractor & nothing shall be paid extra on this account.
5. Water irrigation shall be arranged by the contractor alongwith other required inputs for the plants.
6. Damage/dry plants, grass weeds and rubbish etc. should be disposed off outside the periphery of the area as directed by the authorized In-charge and should not be burnt in any case.
7. The contractor shall be required to divert his labour to carry out certain minor changes/ renovation within the existing maintained area wherever considered necessary by the In-charge. No extra payment shall be payable on this account.
8. Plants should be healthy and free from all types of disease & defects and should be as per the specification given in schedule of quantities.
9. 10% security shall be deducted from running bills as per agreement clause subject to a ceiling of 5% of the tender value and shall be refundable after the completion of work including maintenance period.
10. Scope of the work covers maintenance works which include removal of rank vegetation weeds and bushes in the planted area.
11. The maintenance will be carried out under the general supervision of Administrative Officer, NABI, or his representative officer in charge at site.
12. The contractor shall maintain site in good conditions till the completion of contract.
13. No compensation shall be paid for damage caused by rains, earth quake or other natural calamities during the execution of the work and no claim will be entertained on this account later on.

14. The work shall be carried out in such a manner so as not to interfere or effect or disturb other works, being executed by other agencies, if any.
15. Watch and ward of plants and green belt area and plantation area will be the Contractor's responsibility.
16. The contractor shall bear all incidental charges for cartage, storage and safe custody of materials procured / issued to him by the Department.
17. The contractor shall bear the expenses on account of VAT, PF, ESI & other levies & taxes according to rule of the Central/State Govt. where ever applicable.
18. 1% labour cess will be deducted from each bill.
19. Contractor shall do the work on the agreement rates even when the time of maintenance is increased up to 3 months. Payment for extra period shall be made on pro-rate basis.
20. Bidder should be registered under CS(LA) Act and will follow all the labour laws applicable in the state for such works. In case not registered then an affidavit stating that they have employed less than 20 persons is to be submitted.
21. Force-Majeure:- The contract shall be covered under the standard force-majeure clause of any uncontrollable.
22. Arbitration:- In case of any dispute arising during the course of operation of the contract, the same shall be resolved amicably by mutual discussions. If not resolved, then decision shall be made under the Indian Arbitration Act, 1964.
23. The Executive Director, NABI, reserves the right to reject or accept any or all the tenders without assigning any reason thereof.
