

**\* NABI-CIAB unites in Kerala cause**

NABI-Biotech Club had appealed to students and faculties of NABI and CIAB to donate as much as they could in order to buy relief materials to flood-ravaged Kerala and we are glad to tell you that around 20000 Rs has been collected in one month. This represents a small pocket of our big-hearted response to the humanitarian crisis. The relief material has finally been delivered to flood-affected people of Kerala.
