Opportunity for 4 to 6 months (Jan to July 2027): Research Training with a project at BRIC-NABI, Mohali

BRIC-NATIONAL AGRI-FOOD and Biomanufacturing INSTITUTE (BRIC-NABI), Mohali, is an autonomous Research & Development Institute under the Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India. The institute carries out cutting-edge research encompassing multiple research areas that include agricultural biotechnology, epigenetics, computational biology & bioinformatics, post-harvest technology, Nanotechnology, Food Safety, and food and nutritional science and technology. To impart high-quality training in advance areas of biotechnology to students of post-graduation (MSc & M.Tech),

Applications are invited from motivated candidates with high level of creativity, innovative ideas, and communication skills.

1. **A bench fee of Rs. 5000/- Per month plus GST @ 18% for 4 to 6 months per trainee shall be charged by the institute from the students or sponsoring institutes after selection by online transfer to BRIC-NABI, Mohali. The fee has to be deposited before start of the training. If any student wants to cancel the confirmed training before its start, an administrative charge (20%) may be deducted by BRIC-NABI. The refund will not be made if the cancellation request is sought during training period.**

2. **The training period should be for 4 to 6 months between Jan to July 2027.** The training will be conducted at **BRIC-NABI**'s main campus and training project should be within scope of **BRIC-NABI** mandates.

3. The training would be in one of the four areas - i) **Agricultural Biotechnology** ii) **Computational Biology and Bioinformatics** iii) **Food Science and Technology** and iv) **Nutrition Science and Technology V) nanoscience and Nanobiotechnology.** Apart from lab work, trainees may be required to be involved in research work in the field and in growth/tissue-culture chambers for growing and testing research materials.

4. A registered students from any branches of life sciences/basic sciences/applied sciences/engineering institutes/colleges/universities pursuing under graduation or post-graduation or having degrees in the above are eligible for **BRIC-NABI**'s training programs.

5. **BRIC-NABI may arrange accommodation in hostels or guest house (shared) at BRIC-NABI s prescribed rate, if available.**

6. **BRIC-NABI will not reimburse any medical claims that incurred during training.**

7. The number of trainees to be required will depend on the scientist's requirement from time to time.

8. The selection of trainees shall be through a screening cum selection committee based on academic merit and experience.

9. The prescribed application format is available on the **BRIC-NABI** website (https://nabi.res.in/site/career). **It should be sent by post to the Manager, Administration, National Agri-Food Biotechnology Institute, Sector-81, Knowledge City, SAS Nagar, Mohali, Punjab-140306.**

Kindly note that BRIC-NABI will not be held responsible for any postal delay.

11. Documents to be submitted:

1) A filled application form (downloaded from **BRIC-NABI**)
2) Application form forwarded by the Head of Department or Dean or Registrar or Head of Institute on letterhead, if the candidate is pursuing a degree.
12) The last date of application to reach **BRIC-NABI**: **Dec 10 2026 by 05:30 PM**

13) Stipend: **No**
